## Bath Mats

The Invacare bath mat is simple yet highly effective in preventing injury in the bathtub. The uniquely-coloured H190 bath mat provides a non-slip surface in any tub from end to end.

The suction base keeps it securely in place while the raised surface channels water away and enhances personal stability both inside and while transferring to and from the bathtub.

### Bula Bath Mat

#### Model: H190

- Improved visibility by unique colour which provides contrast against bath tub
- Held securely in place by suction base
- Latex free
- Full-length mat that is contoured to fit around bathtub drain

- Integrated, removable handle
- Drain holes and soap holder built into seat
- Designated holders for hand held shower device
- Adjustable to fit inner tub width of 15.5" - 25"
- 330 lb./150 kg weight capacity
- Weighs only 3.5 lbs./1.6 kg
- Manufactured in Germany

## Suction Cup Grab Bars

Convenient and flexible Stileo Suction Grab Bars provide additional support wherever and whenever you need it. Stileo attaches to smooth wall surfaces with the help of two high-powered suction cups. Where traditional grab bars are not possible and drilling holes in the wall surface is not desirable or not an option, the Stileo suction grab bar provides a stable alternative. Complete with built-in suction indicator windows, you can see at first glance whether your Stileo is ready to be used or requires repositioning. The attractive blue and white finish allows them to blend perfectly into any decor. Manufactured in Germany.
