Scooters

Scooter and Power Chair Covers

Water resistant cover provides year-round protection from sun and dust. Made of durable nylon and features elasticized reinforced seams for cozy fit. If extra cinching is needed, cover has grommets along the bottom edge to attach bungee cords (not included). Includes oversized stuff sack for convenient storage. Available in black.

- 0125 (SCOOTER COVER) 50" x 22" x 33"
- 0129 (POWER CHAIR COVER) 35" x 23" x 32"

Scooter Single Oxygen

Converts easily using an adjustable snap to hold "D" or "E" cylinders. Convenient hanging design features carrying handle for easy removal. Extra long straps and buckle attachment adjust to fit most power chairs. Reinforced bottom ensures long lasting durability. Made of nylon. Available in black.

- EZ0142 26½" x 7½" x 4¾"

Scooter Arm Tote

Keep personal belongings safely within your reach. Tote attaches quickly and easily to scooter arm using adjustable straps. Features full-length zipper. Made of nylon. Available in black.

- EZ0123 (LARGE) 10½" x 14" x 2"
- EZ0124 (SMALL) 8½" x 9" x 1"

Scooter & Power Chair Pack

This spacious pack has large privacy compartments to keep personal items handy. Mesh sleeve easily slips over the back of seat for a comfortable and secure fit. Includes headrest grommets. Features a carrying handle for use as a portable tote. Made of nylon. Available in black. 16" x 14½" x 6".

- EZ0121 (POWER CHAIR PACK)
- EZ0122 (SCOOTER PACK)

Scooter Basket Liner

Offers privacy and prevents small items from falling through. Made of durable nylon and includes an adjustable drawstring to fit most baskets. Features a handy zippered pocket for personal items, plus dual expandable pouches to hold beverages, cellphone, etc. Available in black.

- EZ0126 13" x 10" x 11"

Crutches

Universal Crutch Pouch

Keep essential items handy without interfering with mobility. Universal fit easily attaches to cane or crutch using adjustable hook and loop straps. Made of nylon. Available in black.

- EZ0015 10" x 5½" x 1¾"

Walkers

EZ0030

EZ0040

Walker Carryon

A necessity for every walker! Available in two styles: SIDE MOUNT features detachable beverage holder and generously sized pockets to allow access to personal items. FRONT MOUNT includes detachable beverage holder, large storage compartment, and three deep pockets to keep cellphone, remote, or personal items handy. Unique dual-strap attachment anchors bag securely to walker frame. Universal fit for most walkers. Made of nylon. Available in black.

- EZ0030 (SIDE MOUNT) 14½" x 15" x 2½"
- EZ0040 (FRONT MOUNT) 17½" x 18½" x 1"

EZ0127

Walker Basket Liner

Offers privacy and prevents small items from falling through. Features a handy zippered pocket to store personal items, plus dual expandable pouches to hold beverages,

cellphone, etc. Includes an adjustable drawstring to fit most baskets. Made of nylon. Available in black.

- EZ0127 16" x 6" x 7"

EZ0101

Universal Tote

Available in two sizes, this opaque pouch allows valuables and personal items to be stored out of sight, yet within reach. Adjustable straps allow for quick and easy attachment. LARGE size is designed to be attached to front of walker; SMALL version is ideal for wheelchair or walker. Made of nylon. Available in black.

- EZ0101 (LARGE) 10½" x 14" x 2"
- EZ0102 (SMALL) 8½" x 9" x 1"

EZ0102

Wheelchairs

EZ0060

Wheelchair Back

Made of opaque heavy-duty nylon. This "must have" tote is ideal for shopping or keeping craft projects handy. Adjustable straps slip over wheelchair handgrips for easy attachment. Available in black.

- EZ0060 17½" x 16½" x 4½"

EZ0200

Wheelchair Pack

Features large privacy compartments, including spacious main section with zippered closure and deep side pockets. Made of nylon and attaches securely using buckle straps and handle loops. Convenient carrying handle makes pack usable as a portable tote. Available in black.

- EZ0200 15" x 15" x 5"

EZ0160

Wheelchair Underneath Carrier

Large vinyl mesh canopy attaches underneath the wheelchair to hold books, packages, etc. Convenient hanging design with hook and loop attachment features front and back flaps to keep items secure. Available in black.

- EZ0160 17" x 15" x 2"

EZ0141

Wheelchair Oxygen Carrier

Available in single or dual tank capacity, this versatile carrier features an adjustable snap for holding either "D" or "E" cylinder. Extra long straps adjust to fit any wheelchair and allow the carrier to be positioned off-center, avoiding uncomfortable contact with head or back. Single carrier is made of durable lightweight nylon. Dual carrier is made of lightweight vinyl mesh and features a convenient storage pocket

for magazines, nasal mask, etc. Available in black.

- EZ0140 (DUAL TANK CAPACITY) 19" or 25½" x 17" x 4¾"
- EZ0141 (SINGLE TANK CAPACITY) 19" or 26½" x 7½" x 4¾"

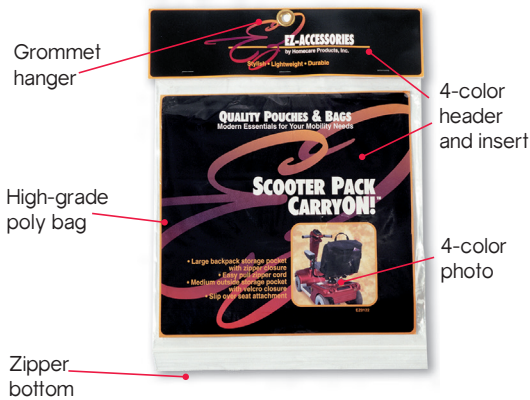

Display Your EZ-ACCESSORIES®

Create an attractive mobility accessories section in your showroom for easy cash sales.

EZ-ACCESSORIES® make the perfect add-on sale for mobility devices. These attractive, high-quality pouches and packs are designed for use with wheelchairs, scooters, walkers, canes, etc. In addition to being affordable and functional, all EZ-ACCESSORIES are displayed in easy-to-demonstrate resealable packages. Maximize customer awareness and convenient access by displaying your EZ-ACCESSORIES on the space saving, three-tiered Spinner Display Rack while using only two square feet of floor space.

Contact Customer Service at 1-800-451-1903 to ensure you are well stocked with the most popular EZ-ACCESSORIES.

EZ-ACCESSORIES are shipped in a high-grade poly bag with a zippered bottom for easy removal and re-insertion of product. Includes 4-color package insert with product photo and description. Header card with grommet also included.
