

## Safety Enhanced Bathroom Accessories

### The future depends on what we do today.

Creating a beautiful and inviting space is easy. Ensuring that it evolves gracefully with its homeowner is an entirely different story. Selecting bathroom accessories that also happen to be grab bars hidden in plain sight ensures a lifetime of safety with style.

All designs & specifications subject to change without notice.

A Division of HealthCraft Products Inc.

A series of luxurious bathroom accessories that blends  
**style + safety.**  
Ideal for moments when support is needed the most.

## Grab bars hidden in plain sight ...

Safety should not come by accident, nor should you have to sacrifice the look of your bathroom to achieve it. Rest easy knowing that the Invisia Collection will provide support when needed - at anytime for anyone.

All **integrated support rails** feature a 500lbs / 227kgs weight capacity, and are made from durable, rust-resistant stainless steel (available in a polished or brushed finish). Tray surfaces are nonporous and resist the growth of mold and bacteria.

- 1 Accent Ring provides support when accessing shower controls
- 2 Corner Shelf features a removable tray surface for easy cleaning
- 3 Toilet Roll Holder promotes safe toileting and keeps paper close at hand
- 4 Soap Dish features a removable soap tray
- 5 Towel Bar provides top rail for gripping while lower rung holds towel

## Have a seat. Stay a while.

A bath should be a retreat... a place to get away from it all. The Invisia Collection's spa-inspired seating invites you to let the world fade away.

Each seat features hand selected Brazilian Walnut panels accented by a resilient aluminum frame. Known for it's natural beauty and considerable strength, Brazilian Walnut is up to 3 times stronger than teak and is resistant to mold, mildew and bacteria. Ensuring a lifetime of good use.

- 6 Corner Seat nestles into any corner to create a personal oasis
- 7 BathBench rests on the bath tub and doubles as a bath caddy
- 8 SerenaSeat easily folds against wall when not in use
