Roscoe Mobility

K3-Lite Wheelchair

The Roscoe K3-Lite Wheelchair weighs less than 36 pounds, making it perfect for rental and long-term or short-term use. It has an attractive silver vein powder-coated steel frame. Designed with a dual axle and multi-position caster forks, our K3-Lite chair provides for easy transition of seat height to hemi level. Black padded nylon upholstery resists mildew and bacteria. Chart pocket on backrest and industry compatible front riggings come standard. Padded aluminum desk-length arms are removable and can be reversed for a full-length feel.

Product Features

- Powder-coated silver vein carbon steel frame
- Dual axle provides easy transition of seat height to hemi level
- Easy to clean, comfortable nylon upholstery resists mildew and bacteria
- Chart pocket on backrest provides additional convenience
- Removable desk-length arms can be reversed for a full-length feel
- Padded and upholstered armrests are standard
- Includes tool-free adjustable front riggings with composite footplates (swing-away footrests or elevating legrests)
- Elevating padded legrests are equipped with a pneumatic piston for infinite elevating positions
- Precision sealed wheel bearings in front and rear ensure long lasting performance and reliability
- Composite handrims with 24" solid rubber wheels are lightweight and maintenance free
- 8" x 1" solid rubber front casters are adjustable in 3 positions
- Easy push-to-lock wheel locks
- Limited Lifetime Warranty
